BOARD RESOLUTION

Authorization to Integrate VTpass Payment & VTU Services

We, the undersigned, being the duly authorized officer(s) of **ARAPPOINT SOLUTION** (hereinafter referred to as "the Company"), hereby certify and resolve as follows:

RESOLVED THAT the Company, Arapoint Solution, is hereby authorized to integrate the VTpass platform into its digital service operations for the purpose of offering Virtual Top-Up (VTU) services to its customers, including but not limited to: airtime recharge, data bundle subscriptions, electricity bill payments (prepaid and postpaid), cable television subscriptions (DStv, GOtv, StarTimes), and any other services made available via the VTpass API.

FURTHER RESOLVED THAT Saidu Muhammed, the Founder and Chief Executive Officer of Arapoint Solution, is hereby authorized to act as the designated representative of the Company in all dealings, agreements, and correspondence with VTpass Nigeria Limited, including the signing of agreements, access to API credentials, and management of the Company's VTpass account.

FURTHER RESOLVED THAT the Company confirms that it operates a legitimate digital services platform accessible at **www.arapoint.com.ng**, serving Nigerian customers with identity verification, education verification, and digital financial services, and that the VTpass integration is intended for legitimate commercial purposes in compliance with all applicable Nigerian laws and regulations.

FURTHER RESOLVED THAT the Company authorizes any officer acting under the direction of **Saidu Muhammed** to take all steps necessary to implement and maintain the VTpass integration on the Arapoint platform.

This resolution is passed by the Board of Arapoint Solution and shall remain in effect until revoked by a subsequent resolution of the Board.

We hereby confirm that the above resolution is true, complete, and was duly passed in accordance with the Company's articles of association.

Saidu Muhammed
